NOTICE to the MEMBERS

Additional Insured Insurance Certificates

To assist associations with completing the Certificate of Insurance Request Form when using a facility for the whole season, the insurance company has suggested using the following phrase on the "Date(s)" line:

Ringette season September 2015 - September 2016:
(practices, games, tournaments, camps, clinics, meetings, dryland and only Ringette related sanctioned events).

Teams requiring "additional Insured" certificates can list the appropriate activity they are engaged in.

The insurance company also reminds us the in regards to Floor Ringette (Gym Ringette):

*Players must wear helmet, facemask, elbow pads and gloves.
All sports not related to Ringette are not covered.*
