INSURANCE COVERAGE

We are part of a National Insurance Program provided through Ringette Canada. The agent handling the coverage is BFL Canada.

A "Certificate of Insurance" document is enclosed for when you are required to show evidence of insurance coverage.

1. Liability Coverage is provided for all normal Sports and Social Activities administered by the Ontario Ringette Association and its member local associations. Normal activities are considered to be clinics, games, practices, training activities/ringette camps, fundraising/promotional events, association and/or team meetings, banquets, registration events and functions, etc. These events must be approved by your Association Executive to be considered Sanctioned.

This does not cover events/functions involving the serving of alcoholic beverages. A specific insurance extension, which involves an additional fee, is required for such events/functions. Contact the O.R.A. office one (1) month in advance of the event to ensure proper coverage is in place. This only applies when associations/members are directly responsible for the serving of alcohol.

It is strongly recommended that Host Liquor Liability Insurance be obtained even if you are not directly responsible for serving liquor.

2. Sport Accident Coverage provides coverage to those who have paid dues and insurance for participating in the Sport of Ringette. Coverage is not provided for an injury while participating in other activities (soccer, running, swimming, etc.). The Ontario Ringette Association only provides basic coverage for medical expenses only. Any additional insurance is strictly the responsibility of an individual member.
3. If you are required to have your local city, etc. named as an "Additional Insured" on the policy complete the "Certificate of Insurance Request Form" and submit it to the ORA office.

Allow two (2) weeks notice for us to arrange this coverage at no extra cost.
