WORKSHOPS:

Plans are being finalized to have four (4) workshops for the members.

1. Our Passion. Our Sport. – Ringette Canada's Long Term Athlete Development Model

Long Term Athlete Development (LTAD) is a framework for the optimal development of athletes of all ages, interests and abilities. It provides a structure for programs at the national, provincial, community and club levels. The LTAD framework identifies specific athlete needs and therefore ensures that all participants have the opportunity to reach their potential.

Under the leadership of Sport Canada, Ringette Canada has developed its own sport specific LTAD model. Frances Losier along with Carolyn Mountjoy, LTAD Steering Committee member, will discuss the general LTAD principles which will lead into an overview of what is currently going on in our sport.
