

2016 AA Provincial Ringette Championships

March 2016

It's almost here! The 2016 AA Provincial Ringette Championships start next week! Here are some final details about our event. We would appreciate it if you would share this newsletter with your teams.

Sponsors

We have added two more Bronze sponsors to our event! Thank you to Waterloo Sports Medicine and Laurelwood Family Dentistry for supporting our tournament! And thank you to all the local companies and businesses that donated prizes for our Silent Auction Table.

Coaches Meeting

The Coaches Meeting will be held at the Crowne Plaza, 105 King Street East in Kitchener on Wednesday March 9th at 8pm. Each team should have a representative attend this meeting as details and more information will be shared about our Provincial Tournament at this time.

Note for parking - The coaches should take a ticket from the hotel's parking machine and keep it with them. When they leave the hotel, just take ticket to the front desk and request a pass to get out of parking. The hotel is providing complimentary parking for our meeting.

Construction in K-W

Our cities have been experiencing a large volume of road closures and detours related to the new Light Rail Transit system coming to Waterloo Region in 2017. For information and updates on construction, closures, and alternate routes, please visit: www.rideion.ca

Opening Ceremonies Reminder

Just a reminder that teams should arrive at RIM for 6:30pm on Thursday March 10th for Opening Ceremonies. We are planning to keep the ceremony to 1 hour in length.

Silent Auction Table

There will be a Silent Auction table set up at RIM daily on Thursday, Friday and Saturday. Please come check it out and bid on a prize! We have some amazing items up for grabs from numerous businesses including Big Splash passes for Bingemans, admission tickets to Medieval Times, registrations for PEAK Ringette Camps and National Ringette School Summer Camps, one-night's accommodation and breakfast at the K-W Holiday Inn, a hockey stick autographed by the 2015-2016 Kitchener Rangers team, an assortment of fabulous gift baskets, many amazing gift certificates, and much more!

Therapy Support

More details will be provided in the Coaches packages but we are proud to provide Athletic Therapy support at our primary venues for emergency response to incidents on ice and also to provide advice for athletes and coaches between games on recovery and strategies for minor injuries.

The Ringette Store

The Ringette Store will be set up at RIM to hand out pre-orders and take new orders at the AA Championships. Check out the selection for AA Provincial wear: www.ringetestoreprovincials.com
