WORKING GROUP PROPOSAL

Participants: Ad hoc group comprised of 10-12 representatives from around the province. Potential participants to provide one page application stating: qualifications, reason for applying, what they bring to the group. We are looking for a variety of participants from the membership at large. Committee members, association executives, etc. will be considered only if other candidates are not available.

Date: May 30th and 31st

Location: Toronto

Objectives:

- To review the ORA LTAD plan
- To establish targets and timelines for implementing LTAD in Ontario
- To establish methodology for creating U9, U10, U12 teams using LTAD model
- To establish pilot projects – where, when, how, etc.
- To decide on options for seeding for provincials
- TBD

All background information and internet links will be provided to the group two weeks prior to the meeting.

All potential participants should send their information to:
