

Central Region Challenge Cup

In an effort to ensure that Central Region has a means to identify the correct representative on behalf of the region, we annually review the calculation format that is fair and meaningful for all participating teams. For the upcoming season, Central Region has approved the following format.

3 game series between Central Region teams that culminate in a divisional winner at each age level.

- 1) CORL games before first week of February will count towards the 3 games – Games will be identified on the central region web site. CORL schedule completion in September will identify Game number[s] at each age level.

4009	Oct 15 2016	5:30 PM	Richmond Hill Lightning	0-0	Burlington Blast
4040	Oct 16 2016	11:30 AM	Oshawa Storm	0-0	Pickering Lightning
4014	Oct 22 2016	1:05 PM	Pickering Lightning	0-0	Mississauga Mustangs
	Game number				

- 2) Team with most points at conclusion of 3 games is winner of Central Region Challenge Cup for the age division and Central Region Representative for the age division.
- 3) Where penalties are issued that result in player suspensions, suspensions will be in effect for subsequent Challenge Cup games, if applicable.
- 4) In the event to teams tied following the 3 games, ORA tie breaking rules will be applied.
- 5) Only games between Central Region teams (head-to-head) will count towards the total.
- 6) No tournament results between competing teams will be counted in results.
- 7) Each team will provide a signed TRF that will travel with the White Game sheet for each game. Any substitution requirements will be heavily scrutinized and require the approval of Central Region G&T, in consultation with Central Region Executive.
- 8) A Central Region Representative, not in conflict of interest, will be present at all Challenge Cup games, and sign-off TRF & Game Sheets prior to game start.
- 9) Where there is only one team in the division within the region, they will be declared the central region representative.
- 10) Proposal will be in effect for the 2017/18 playing season. To be reviewed at the 2018 Central Region AGM.
