In order to help you with the administration of your tournament, be specific as to who is playing against whom. This will aid in spot-checking for problem areas. Use your Regional G&T Coordinator as a valuable resource in organizing your event. Attached you will find game formats that are pre-approved by G&T. When making decisions on pooling or unbalanced scheduling, contact G&T for assistance. Recommended team match ups will be provided by the Regional G&T Committee for "A" divisions.

3. INVITATION LETTER

The Regional G&T Coordinator must proof the invitation letter *before you send it to potential teams*. This again will allow O.R.A. to help you in the administration of your tournament. Include deadline for entries (if one) and procedures if a team withdraws. Also include whether this is a first-come, first-served tournament or has a deadline at which time teams will be chosen.

4. LIST OF TEAMS

The Host Committee must submit a list of teams participating in the tournament to the Regional G&T Coordinator. It is important that this list includes the Association and Head Coach's names for each team, as well as Division and Level of Play. These should be updated periodically as you receive applications. Before canceling a division, discuss with G&T for input. You may use GT-F-03 or your own listing as long as it includes the required information.

5. FACILITY AUDIT

The Host Committee is required to submit a FACILITY AUDIT FORM for all facilities used at their event to the Regional G&T Coordinator. The audit will help provide a safe environment for all participants. All facilities for your Association must submit this form by November 15th. Any facilities that are only being used for your tournament must have a form submitted three weeks before the event.

6. REFEREE-IN-CHIEF

The Tournament Referee-In-Chief is required to communicate with the Regional Officiating Coordinator regarding the selection and scheduling of Officials for the tournament.
