E. TEAM SPORTSMANSHIP AWARD

At the end of every game, each team shall rate the sportsmanlike qualities of the team they have just played, using a scale of 5 – 1:

5 – Excellent 4 – Good 3 – Fair 2 – Poor 1 – Unsatisfactory

The Team Sportsmanship Award is a very prestigious award to receive. The team(s) who shall receive this award should be proud of the fact that participants in their division had input into the final decision.

To assist you in rating the teams, please use the following guidelines:

- a) Did the team use abusive language on the ice or behind the bench?
- b) Did the team show concern when there was an injury?
- c) Did the team act in a friendly and courteous manner during the game?
- d) Did the team accept the outcome of the game graciously?
- e) Did the team use foul play tactics during the game?
- f) Did the team display camaraderie off the ice?

Upon signing the game sheets before the games, pick up the Sportsmanship Rating Form to be filled out after the game. Immediately after the game, please submit the form to the Arena/ORA Convenor.

The Sportsmanship Committee shall examine the ratings at a meeting before the Semi-Final games. The Committee shall also examine the game sheet for unsportsmanlike, major, misconduct, match, and excessive penalties. Each team shall lose points or be disqualified for each of the above penalties.

Deductions will be made based on the following points system:

- 2 for each unsportsmanlike conduct penalty and a player receiving 10 minutes in a game.
- 4 for each misconduct, major, and rough play penalty.
- Disqualification for a match or a team getting 30 minutes in penalties.
